## Press release

# Dr. Hans Grüter named Chief Financial Officer of Medisize Holding AG

**Wattwil, 06. Juli 2006. Medisize Holding AG (SWX Swiss Exchange: MSZN), a newly listed Health Care Group specializing in the development and production of dental and medical consumables and devices, announced today the appointment of Dr. Hans Grüter as new Chief Financial Officer of the Group. This follows the separation of the former health care division of Gurit Holding AG and its subsequent listing as Medisize Holding AG on SWX Swiss Exchange. The newly independent Medisize Holding management team is now complete with the appointment of Dr. Grüter as CFO.**

Dr. Hans Grüter will serve as Chief Financial Officer of Medisize Holding AG as from September 1, 2006. Mr. Grüter, born in 1959, has a ph.d. in business administration from Zürich University (1990). At Wharton School, University of Pennsylvania, he also completed an Advanced Management Program in 2001. Mr. Grüter last served as Chief Financial Officer and member of the Executive Committee of Wicor Holding AG, Rapperswil. Before that, Mr. Grüter served as CEO of the European Division of Power-One from 1998 to 2001. This division was created in 1998 by the acquisition of the former Melcher AG by the American Power-One. At Melcher AG, Hans Grüter served as CFO and Human Resource Manager and was part of the management team that bought Melcher AG out from Elektrowatt Group in 1996.

Jerry Sullivan, Chief Executive Officer of Medisize Holding AG, commented the nomination of Grüter as CFO: „I am delighted that Hans Grüter, an experienced financial professional who is most familiar with Swiss affairs, has joined the international Management team of Medisize.”

Peter Lieberherr, Chief Financial Officer of former Gurit-Heberlein Group continues to coordinate the financial transition from the formerly joint Group into two independent entities. He will closely work together with Mr. Grüter.

**On Medisize:** As a specialized health care company, Medisize produces and develops medical devices as well as the dental consumables. In the dental business, the offer consists of a comprehensive product range of consumables and tools for dentists and dental laboratories. In the medical business, Medisize develops and manufactures on the one hand Medisize branded consumables used for airway
